

MUV Graph with Quantities

Quantities are replaced by parts per adjacent node.

The parts of the F\* nodes is multiplied by the part of the previous node.  
 The sum of all F\* nodes is equal to one.

F1	0.294
F2	0.117
F3	0.058
F4	0.176
F5	0.147
F6	0.206
Sum	0.998
