

# Compound Slurs

## Using openLilyLib/snippets

The image displays four staves of musical notation, each featuring a series of eighth notes connected by slurs. The staves are labeled with text and arrows indicating specific styling parameters:

- Default:** The first staff shows a standard black slur connecting the notes. A red arrow points to a point on the slur with the label "A". Another red arrow points to a point further along the slur with the label "B".
- Raise by 5:** The second staff shows a slur where the line is raised above the notes by 5 units.
- Raise by 15 and left by 30:** The third staff shows a slur where the line is raised above the notes by 15 units and shifted to the left by 30 units.
- Lower by 10:** The fourth staff shows a slur where the line is lowered below the notes by 10 units.

The x-axis at the bottom of the first staff is marked with numerical values from -0.1 to 1.0, with a blue horizontal line at 0.0. The y-axis is marked with a value of -0.1. The staffs are in common time (indicated by 'C') and have a treble clef.
